2021-2022 Aid Year

Your financial aid awards for the year as of the date noted are listed below, contingent on the housing status indicated.

Refer to the University website for important program information and eligibility requirements.

Be sure to review your award requirements on UIS for pending documentation and/or additional steps required to process your awards .

Please note, financial aid awards for continuing students for 2022-2023 will not be finalized until early June.

All aid posted for continuing students is contingent on evaluation of financial need and academic progress and is subject to change.

All federal funds are subject to congressional action and NYS funding is subject to budget approval.
